Event Description:

This camp is tailor-made to develop young people for the ministry of leadership. The week will include frank talk about role modeling, exhilaration and pitfalls of being a leader, the thrill and humbleness of guiding others in their journey, and the exploration of where God might be leading you.

Student leaders will get hands-on experience leading a three day VBS offered at the camp for area children. Of course, there will be all the other fun things DHC has to offer, as well.

Participants will be amazed at who they actually learn from! Emphasis will be placed on what Scripture says about being a leader. Be ready to have your head and your heart shaped during this camp!
